Certificate of Registration Course RPL Option

Course Information

In completing the Real Coach Certificate of Registration Course you must demonstrate competency in the four units summarised below.

Unit Overview:

CPPDSM4080A Work in the real estate industry

This unit of competency specifies the outcomes required to enable a new entrant to the real estate industry to gain a basic understanding of the industry in order to work ethically and effectively in a real estate agency. This includes awareness of ethical and conduct standards, basic functions of real estate operations, industry employment requirements and knowledge of current legislation pertaining to the real estate industry.

CPPDSM4007A Identify legal and ethical requirements of property management to complete agency work

This unit of competency specifies the outcomes required to meet the core legal and ethical requirements associated with property management. This includes awareness of the legislation dealing with leasing and management of property, the role and responsibility of agency personnel in property management, the recording of property management transactions and the completing of property management documentation.

CPPDSM4008A Identify legal and ethical requirements of property sales to complete agency work

This unit of competency specifies the outcomes required to satisfy the core legal and ethical requirements pertaining to property sales. This includes awareness of current legislation relating to property sales, the roles and responsibilities of agency personnel involved in property sales, the administration of sales transactions and the correct completion of all sales documentation.

CPPDSM3019B Communicate with Clients as Part of Agency Operations

This unit of competency specifies the outcomes required to interact and build relationships with clients as part of agency operations. It includes developing rapport with clients, handling initial client enquiries, establishing and maintaining a client database and dealing with client complaints and problems.

Assessment

Students will be required to demonstrate their competency by answering a series of questions relating to the material supplied in each unit. These questions will require specified types of answers such as short form, point form, multiple choice, true or false, case studies and completion of forms and templates.

Submitting Assessments

When completed, assessments should be submitted to Real Coach for marking. All work submitted must be typed or neatly handwritten. Illegible work will not be accepted. Assessments must be mailed or emailed (not faxed). It is advised that students photocopy all documents prior to posting, as work that has been assessed as competent will not be returned to students.

Students have two options for marking:

- 1) Standard marking – this is included in the course fee. Assessments will be processed within 21 days of receipt;
- 2) Fast marking - an additional fee will be charged for assessments to be processed within 5 days of receipt.

Deadlines & Extensions

All assessments must be completed and submitted within six (6) months from the date of purchase. Students may apply for a three (3) month extension however this will incur an additional fee of \$100.00. Extensions may only be granted once and must be applied for before the deadline for completion, otherwise re-enrolment in the course will be required.

Support

Real Coach offers all students tutorial support via email and phone. If assistance is required with any part of this course students may lodge a support request via the support section of our website www.realcoach.com.au; email support@realcoach.com.au or via our office on 1300 124 125 during business hours.
